# AMERICAN KALEIDOSCOPE

The United States has become the largest “Nation of Nations” in the world, especially since the promulgation of 1965 Immigration Act, which has become the foundation of today’s immigration laws.

While millions of immigrants have come to USA from every corner of the world, the interesting facts, according to the research by the *Pew Organization*, for the 3 selected groups are as follows:

*“Give me your tired, your poor, your huddled masses yearning to breathe free.”*

- The Black immigrants are projected to outpace US born Blacks in growth (90% vs 29%)
- 12% of Black immigrants are foreign born, while 9% are 2<sup>nd</sup> generation and 79% are 3<sup>rd</sup> generation.
