CHALLENGING JOB OPPORTUNITY

Multicultural Council of America (MCC) is a small but rapidly growing 501(c)(3) charitable umbrella organization, developing a national & international, independent, locally led network of likeminded partner organizations working to promote multiculturalism, diversity, education, healthcare, support to immigrants & refugees and opportunity for any and all non-profit organizations in South Carolina to fulfill their potential.

We are committed to building a diverse and inclusive organization that inspires individuals of all backgrounds – across nationalities, races, ethnicity, religions, political views, economic backgrounds, sexual orientations, physical disabilities, languages, ages, genders and prior experiences – to bring their full selves to the work of ensuring opportunity for all.

If you are a self-starter and have the expertise in advertising/marketing, fund-raising, leadership development and/or organizational development with demonstrated experience in community building, networking, and exceptional strategic thinking abilities, we would like to hear from you.

Please submit your resume and a brief letter of motivation directly online. Your letter should summarize motivations for your application and how your skills and experience align with the terms of this opportunity. We look forward to learning about you and your passion for ensuring cultural, educational & healthcare opportunities for all in South Carolina and Beyond.
